

STANFORD UNIVERSITY

NETWORK FOR DISSEMINATION AND IMPLEMENTATION RESEARCH (SUNDIR)

MODERATORS:

Steven Asch (Medicine); Lisa Chamberlain (Pediatrics); Mark Alex Sox Harris (Surgery); Grace Lee (Pediatrics); Mark McGovern (Psychiatry; Medicine);

MISSION:

- To enhance health and health care quality by:
 - Advancing knowledge & rigor in implementation science
 - Building D&I research capacity
 - Connecting members of the Stanford community with an interest in dissemination and implementation research

ACTIVITIES:

- Monthly SUNDIR meeting (second Tuesday 3-430PM):
 1. Collaboration and networking
 2. Sharing information on new resources, training and grant opportunities
 3. Presentations of works-in-progress and/or “big” ideas
 4. “Deep Dives” into advanced D&I science topics
- Mentoring and mentored connections
- Consultation on grants

TO JOIN SUNDIR LISTSERVE:

Helene Chokron Garneau: helene.chokrongarneau@stanford.edu
