Testimonials:

‘LAMA provided me an opportunity to reset and connect with leaders equally committed to the mission and vision of Stanford Health Care. The content covered in LAMA was diverse, and addressed the many facets of leadership, from daily operations, finance, and quality, to self-care.’

K. Michaela Sullivan, Director, Hospital and Clinic Activations

‘I am so grateful I was able to participate in LAMA. It gave me a solid foundational skillset that will help my leadership skills for years to come. It was also a fabulous way to meet and develop relationships with leaders across SHC.’

Neda Kharazzi, Lead Psychologist

‘The Leadership and Management Academy Program is a must for new and experienced mid-level leaders. Learning new tools or sharpening old ones, the program provides valuable support throughout your leadership journey.’

Michael Bautista Patient Care Manager M-5, AAU
