

## **STANFORD UNIVERSITY**

### **NETWORK FOR DISSEMINATION AND IMPLEMENTATION RESEARCH (SUNDIR)**

#### **MODERATORS:**

Steven Asch (Medicine); Lisa Chamberlain (Pediatrics); Mark Alex Sox Harris (Surgery); Grace Lee (Pediatrics); Mark McGovern (Psychiatry; Medicine);

#### **MISSION:**

- To enhance health and health care quality by:
  - Advancing knowledge & rigor in implementation science
  - Building D&I research capacity
  - Connecting members of the Stanford community with an interest in dissemination and implementation research

#### **ACTIVITIES:**

- Monthly SUNDIR meeting (second Tuesday 3-430PM):
  1. Collaboration and networking
  2. Sharing information on new resources, training and grant opportunities
  3. Presentations of works-in-progress and/or “big” ideas
  4. “Deep Dives” into advanced D&I science topics
- Mentoring and mentored connections
- Consultation on grants

#### **TO JOIN SUNDIR LISTSERVE:**
